Dear Mr. Weisberg:

You were most thoughtful to give us the good story on the huge goose eggs. I hope that you had a chance to see the program on my news last night at 7 P.M. We showed films of the arrival of the eggs on the C.A.P. plane and then told your story of how they are raised.

Of course, it helped greatly to have the eggs in hand to illustrate them live on television.

I have arranged with Mrs. Truitt, Supervisor of Kernan's Hospital, to give the eggs to the crippled children there. She was overjoyed, and the children will have much fun with your gift for Easter.

Again, many, many thanks for your thoughtfulness.

With best personal wishes -

Sincerely yours,

David V. Stickle
